Re: Bill draft concerning free college tuition to children of EMS personnel killed in the line of duty

---

I would like to request a bill draft that would include emergency medical services personnel under state statutes 36.27 (3m), relating to tuition fee remissions.

EMS personnel would be defined as those persons that fall under state statute 146.50 (1)(c)(e)(f)(g)(h) and (hm). If you have any other suggestions of persons who may fall under this category, please feel free to include them in the draft.

Thank you for your assistance.
